Subject: Issues related to Data Sharing
Attachments: HEI Oral Comments Proposed Transparency in Regulatory Science Rule July 17 2018.pdf; HEI Response to Kadeli Letter on Data Sharing August 27, 2013.pdf

Two very useful items on issues arising in the transparency proposal.....per my request to HEI.

One...you folks have no doubt seen or heard...HEI's brief comments at the public meeting.

The other, an HEI letter to Lek Kadeli from 2013 on many of the same issues (still relatively brief and readable), that was written no doubt in the context public access to data issue that was actively being considered at that time.
